"That the Members of Waterford City and County Council:

- Unequivocally supports the retention of a full-time air sea rescue service at Waterford Airport as currently provided by the crew of Rescue 117.
- Rejects any moves to end, restrict or reduce the service in the new 10 year air sea rescue contract.
- Believes that ending, restricting or reducing the service would negatively affect safety at sea, in the mountains and the overall safety of coastal communities on the South Coast.
- Calls on the Minister for Transport Eamon Ryan to ensure the current service is retained in Waterford in the new 10 year contract."

05 (22) Sligo County Council

"To call on the HSE and the Department of Health to end the practice of pursuing patients, including cancer patients with private commercial debt collection agencies and to review exemptions to the inpatient charge by the Department of Health and for this be shared with all other local authorities around the country. The meeting also asked that the Department of Health review the practice of withdrawing medical cards from terminally ill patients."

06 (22) Cork County Council

These spaces would be clearly marked with a sunflower and lining. These would be courtesy spaces, at the discretion of the public to leave them for use by those with a sensory disability."

07 (22) Leitrim County Council

"That Leitrim County Council call on the Department of Housing, Local Government & Heritage to significantly increase the grant limits for Community Wastewater Connection Networks in the new Multi Annual Rural Water Programme 2022-2024, to allow some of these schemes to go ahead in County Leitrim. The current level of maximum available grants in the Programme 2019-2021 for Group Sewerage Schemes is fixed at €6,250 per house is insufficient and makes it impossible for such schemes to progress in County Leitrim and that a meeting be requested with Minister O'Brien in this regard."
