“That work would be undertaken outside the Church in Gathabawn to prevent the entire width of the road being covered with ice at any time there is frost. It appears that the road is permanently wet”.

- (b) 4(24) Cllr Mary Hilda Cavanagh**

“That raised platforms be installed on all approach roads to Johnstown to slow down traffic in the interests of safety”. Residents on all roads are greatly concerned about the speed of traffic through the town and approaching the town. Despite the speed limits, traffic is still going too fast. I have witnessed it myself over and over again.
