Tyrone Guthrie Centre Regional Bursary Scheme

Kilkenny County Council's Arts Office in partnership with the Tyrone Guthrie Centre is offering a two week residency at Annaghmakerrig to practitioners in all art forms.

The practitioner must be currently based in Kilkenny. They will be selected based upon their previous achievements and the project they intend to undertake during their residency. The selected Artist Residency should take place before the end of 2007.

The aim of the Residency is to assist and encourage both established and emerging practitioners. To give them an opportunity to work intensively on a 'project' alongside others in a very unique environment.

Annaghmakerrig has welcomed more than 300 individual artists from Ireland and abroad over the past 16 years.

Artists should apply by sending their C.V., samples of recent work and an outline of the project they intend to undertake at the Centre with the completed application form attached.

Closing date for receipt of completed applications is no later than Friday 27th April 2007 at 4pm.

Completed application forms to be returned to Mary Butler, Arts Officer, Kilkenny County Council, County Hall, John Street, Kilkenny.

THE TYRONE GUTHRIE CENTRE REGIONAL BURSARY SCHEME

Over 27 local authorities in Northern Ireland and the Republic of Ireland are offering special bursary awards to artists born or domiciled in their areas to enable them to spend two weeks at the Tyrone Guthrie Centre at Annaghmakerrig, the artist's workplace in County Monaghan. Each bursary covers all board and lodging expenses for a two week period, plus the use of a studio if necessary. The bursaries are administered by each individual local authority.

The Tyrone Guthrie Centre Regional Bursary Scheme has the following objectives:

- To work closely with local authorities and their arts officers to discover emerging and established artist throughout the island of Ireland who might benefit from working at Annaghmakerrig.
- Through the artistic projects they realise to make their work apparent to the local communities from which they come, through exhibitions, performances, readings and other manifestations.
- Through this process to allow the Tyrone Guthrie Centre to establish partnerships with local authorities the length and breadth of the island of Ireland in keeping with its origins and aims as a major cross-border collaboration between northern Ireland and the Republic of Ireland.

NOTES FOR APPLICANTS

The bursaries are open to practitioners in all artforms, born or domiciled within the relevant local authority area. There is no age limit.

Applicants should show significant achievement in their chosen field. This would normally mean that writers should already have published in book form, painters or sculptors should have had one-person shows in reputable galleries and that composers or musicians should have had their work commissioned, recorded or performed or whatever might be appropriate to the particular artform. Otherwise the applicant must demonstrate a high degree of promise attested by references or other forms of support from established figures in the arts.

Each application must be accompanied by a detailed C.V. and a reasonable sample of the artist's work: 10 slides from visual artists, a book or 20 pages of published work from writers, a recording or score from musicians, and any other supporting material which might be relevant.

Applicants should state clearly what they wish to accomplish during their stay at Annaghmakerrig. This project outline is often decisive and should demonstrate that the artist is working towards an exhibition, publication or performances which will be helped by a stay at the Centre.

Each local authority makes its own preliminary selection from the applications it receives, often calling in expert advice to do so. The closing date for receipt of applications will be determined by each local authority.
