11/154	C&F Green Energy Ltd.	R	18/05/2011	RETENTION Planning is being sought for a development which consists of:- A Temporary Micro Turbine Performance Testing Site. The temporary micro turbine test site comprises of four turbines: 2x 15 kW at 15m hub heights, 1x 20kW at 15m hub height and 1x 20kW at 20m hub height respectively. In addition there are four anemometer masts one directly in front of each micro turbine. The met masts are 1x 20 meter height and 3x 15 meter height. Ancillary test site infrastructure consists of a 6m x 3m x 2.8m high container which will house the control boards and data recording computer. The turbines are connected to the control container via underground cables. Power is provided to the development via connection to the ESB transformer proximal to the south east of the site. The site is operated remotely. Access is provided with a temporary gravel track. Retention planning is sought for a period of 12 months. Ballyspellan Johnstown County Kilkenny
11/238	Gerard Mulhall	R	16/05/2011	for the following works to a vehicle end of life treatment facility: (i) RETENTION of extension to workshop, (ii) retention for construction of additional workshop/office building and permission for change of use of part of workshop for public use (iii) retention of change of use of agricultural land to short-term storage use for end of life vehicles including construction of hard surfaces and installation of oil/water separator and associated site works, (iv) permission for construction of parking and vehicle drop-off area and modifications to site boundary Newtown Bonnettstown Co. Kilkenny
