**Re: Section 85 Agreement Kilkenny County Council & Carlow County Councils
Proposed Flood Relief Scheme for the Community of Graiguenamanagh/Tinnahinch**

Dear Elected Member,

As you are aware in May 2018, Minister of State for the Office of Public Works & Flood Relief, Kevin 'Boxer' Moran T.D approved funding for 6no Flood Relief Schemes for Kilkenny.

Funding in the order of €9.06 million has been approved for Graiguenamanagh/Tinnahinch Scheme. The proposed Flood Relief Scheme encompasses both sides of the River Barrow in both Carlow and Kilkenny County Councils functional areas.

In order to undertake the project it is necessary for a Section 85 Agreement under the Local Government Act to be signed by both counties. It should be noted that the project is subject to planning and other related consents.

Accordingly, your approval is requested to enter the Section 85 Agreement between Kilkenny and Carlow County Councils in order to facilitate the design and construction of a Flood Relief Scheme for Graiguenamanagh/Tinnahinch. A copy of the proposed Section 85 agreement is attached for your information.

Yours Sincerely,

Mr. Tim Butler
