He acknowledged the € 5m spent upgrading the Waste Water Treatment Plant but advised the expected completion date for an upgrade of the Clogh / Castlecomer Water Supply was not acceptable citing the impact on future development in Castlecomer and the surrounding areas. Cllr Brennan spoke regarding a very viable solution highlighted by Cllr Fitzpatrick at the November MD meeting and proposed that Uisce Éireann be invited to attend the MD's January meeting.

Cllr Pat Fitzpatrick echoed issues raised by Cllr Brennan. He advised he went privately to Uisce Éireann more than 12 months ago with details of the potential of the Radestown Reservoir but to date has heard nothing back. He spoke regarding the cost of trial holes which are yielding no benefit . Cllr Fitzpatrick asked that the Executive write to Uisce Éireann and request that an urgent response on the issues raised be received prior to Christmas.

Mr Martin Prendiville reminded members the Council no longer has a say with Uisce Éireann. He confirmed he had referred issues raised by the members at the MDs November meeting to the Council's Water Section, he confirmed he will request Uisce Éireann to attend the MD's January meeting and reminded members that they also need to use their direct line to Uisce Éireann. Mr Prendiville confirmed he will raise the issues raised at today's MD meeting at the MTM.

Cllr Maurice Shortall highlighted all that is required is approximately 6 /7 km of piping and asked that the Council continue to keep pressure on Uisce Éireann.

Cllr Mary Hilda Cavanagh proposed and it was agreed by all that this issue would be moved from the MD agenda and dealt with instead at the Plenary. Cllr Cavanagh advised the item would be included on either the January or February Plenary agenda.

Cllr Fitzpatrick also raised the issue of maintenance of sewerage manholes. He spoke regarding manholes servicing sewerage lines frequently located in back yards and advised that Uisce Éireann have confirmed that from January 2026 they will no longer carry out maintenance of these manholes. Cllr Fitzpatrick requested that clarification be sought from Uisce Éireann on this issue.
