Local map

DESCRIPTION

- **Landscape Type**
  - Naturalistic

- **Facilities**
  - GAA pitch

- **Effectiveness**
  - Low accessibility. Low usage
  - High contribution to city form.

- **Safety**
  - Moderate enclosure - river forms part of boundary
  - Not overlooked and no surveillance
  - No anti-social indicators.

QUALITATIVE ANALYSIS

- High visual amenity - many mature trees, old castle ruins provides a scenic view.
- Low management, usage, function. Moderate definition of boundaries (river)

POTENTIAL AND OPPORTUNITY

- Increase usage by footpaths (green route) and tourist facilities e.g. Picnic tables.
