LOCATION MAP

DESCRIPTION

- **Landscape Type**
  Undeveloped, naturalistic open space.

- **Facilities**
  Scout Hut

- **Effectiveness**
  High vehicular and pedestrian access to area. Low usage.
  Moderate contribution to city form

- **Safety**
  No enclosure and not over looked but no antisocial indicators present.

QUALITATIVE ANALYSIS

- Moderate visual amenity. Gentle, undulating slopes and tree planting provides attractive setting.

POTENTIAL AND OPPORTUNITY

- Potential area for district park. Close proximity to River Nore may allow for green ‘route’ to be established - links to surrounding areas of ecological / waterside network
- Conserve and strengthen
